This is a great organization that helps provide food and clothing for Babies here in Oklahoma. We will be helping with “Rocking babies, filling client requests for food, formula, diapers and clothing, stocking the warehouse with food, formula and diapers, assembling toddler, infant and diaper packs, assisting with phones and referrals and donation check in.” I can’t think of anything more noble than helping Babies in need. **Will YOU help a Baby in need?**

Our Mission
Infant Crisis Services provides life sustaining formula, food and diapers to babies and toddlers in times of crisis...Because no baby should go hungry.
